Tiger Rebel Again Proves Victorious; Mush Mush Scores Over Mist o' Gold

Whitney Filly Gets To Finish in Clear

Coincidence Registers at Belmont Park as Nodarse Is Knocked Off Breezing Home

BELMONT, PARK, Elmont, L. I., N. Y., May 23.—C. V. Whitney's Mush Mush scored a driving victory in the seven-furland Polydor Purse, one of two modest features at Belmont Park today, leading Vera Bragg's Mist o' Gold, the 3 to 5 favorite under the wire by a length and a half. J. W. Bowley's Larkmead Andy finished a similar margin away in third place, with Col. E. R. Bradley's Be Courageous proving anything but that, as he trailed the small field.

A crowd of 23,370 came out to the Hempstead Avenue course, undeterred by picketing van men at the gates and threats of a railroad strike which would leave nearly half of them without convenient means of return transportation. It was announced at 3:15 that the last train to New York would leave at 4:00 p. m., with the final Brooklyn train leaving 15 minutes later and the last train to Jamaica departing at 4:40 p. m. Approximately 1,100 of the 10,108 fans who came by train crowded on the 4:00 o'clock train.

Fans Engage in Fisticuffs

The proceedings were enlivened by a fight between two fans that broke out just before the Polydor, in which a blonde feminine spectator became embroiled, giving vent to the most blood curdling shrieks ever heard at Belmont Park. The contestants were led away by Pinkerton men and the only damage resulting was inflicted on the eardrums of the innocent bystanders.

There was a nasty-looking accident in the Discount Purse that followed the Polydor, when Venancio Nodarse was knocked off of William Ziegler's Bounding Home just above the sixteenth pole in the stretch run.

The boy was taken away in the ambulance. Fortunately the boy was only shaken up by his heavy fall and Bounding Home was unhurt.

Greentree Stable's Coincidence, ridden by Eddie Arcaro, appeared to be responsible for the accident, bearing in during the run for home and forcing Harry Lamontagne's Sicily over on Bounding Home. Coincidence went on to win the mile and a sixteenth by a little less than a length from Mrs. Ada L. Rice's Richmond Jac, who led Sicily by the same margin. Christiana Stable's Alexis finished a neck farther

Five Slated to Face Gallorette In Belmont's Filly-Mare Feature

Fleet Brann Miss Meets Elpis, Recce and Surosa In Mile Nimba Handicap

BELMONT PARK, Elmont, N. Y., May 23.—Six of the best fillies and mares now in training will provide the main attraction at strike-bound Belmont Park tomorrow, the feature event being the $8,000 Nimba Handicap at one mile. This event is headed by W. L. Brann's brilliant filly, Gallorette, winner of the Metropolitan Handicap in her last start and who will have to pick up 122 pounds. The daughter of Challenger II.—Laura Gal, is followed in the weights by C. V. Whitney's Recce at 119; William Helis' Elpis 116; Foxcather Farm's Surosa 113; Darby Dan Farm's Darbu Dunedin 112 and Joseph Dushock's Mahmoudess 109.

While Gallorette is sure to be the favorite here on the strength of her upset victory over masculine rivals in the Metropolitan, the Nimba shapes up an exceedingly open race on paper. None of the six candidates can be ignored.

Winner of Coaching Club Oaks Last Year

Elpis may be the Brann filly's chief rival. The Helis lass won the Coaching Club American Oaks last season and has won two of her four starts this year. In her last appearance here at Belmont she beat Mahmoudess and Surosa with authority, giving the gray filly two pounds and receiving three from Surosa. The test was at one mile and was run in the sluggish time of 1:39⅕. Gallorette stepped that route in 1:37 in the Metropolitan.

Recce won her 1946 debut here last week, just managing to trounce Darby Dunedin by a head at six furlongs over a sloppy track. That race was run in 1:12⅕.

In Surosa's behalf it should be said that she continues to be an exceptionally unlucky filly but looked rather tucked up before her last start. However, she and Mahmoudess are both rather well placed in weights.

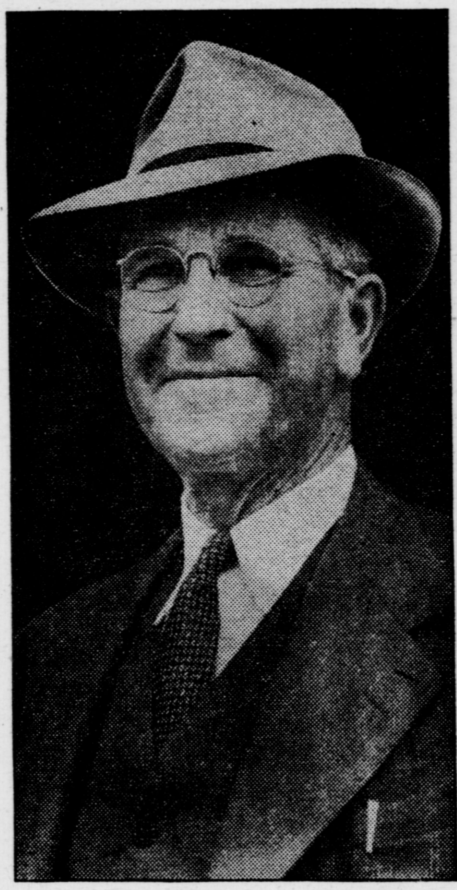
Only one jockey has been assigned a mount in the Nimba, Harrison B. Wilson being named for Darby Dunedin.

Fields for most of tomorrow's races are reasonably large despite the strike of the van men, which restricts entries almost entirely to horses already quartered at Belmont Park. The nightcap, which was canceled yesterday and another race drawn in its place, has attracted 14 with four more on the also eligible list.

The Overbrook Purse, a mile and a sixteenth test for the three-year-olds in the Grade D. classification serves as the secondary offering and matches a group of nine members of the division. Jackamine, under top weight of 122 and who will run coupled with Sobre Todos, appears the favorite here.

Independents Win Election

NARRAGANSETT PARK, Pawtucket, R. I., May 23.—The Independent Mutuel Workers Guild received 343 votes to 105 for the International Office Employes Union, local 76, A. F. of L., in an election conducted today by the State Labor Relations Board to determine the bargaining agency for mutuel workers employed by the Narragansett Racing Association. There were 32 votes for no bargaining agency at all. The voting went on from 9:30 to 1:30, at the What Cheer Club, just outside one gate leading to Narragansett Park.



JOHN M. GOODE—Sent out Brent & Talbot's Tiger Rebel to win his fifth straight in the Lake Forest Purse at Hawthorne.

Bungalese Gallops Home Five Lengths in Front

Fox Colorbearer Fourth Choice In Row to Triumph at Havre

HAVRE DE GRACE, Md., May 23.—Form players had a banner day here this afternoon when their selections in the first four races came down in front with Mrs. George Fox' Bungalese completing the victory skein by galloping home in the six-furlong fourth race. The flashy daughter of Bull Moose—Bungalow ran back to her most recent race, by turning the six furlongs in 1:11⅖.

Backed into $3.60 favoritism by the good-sized crowd of about 10,000 fans, Bungalese gave her supporters no anxious moments. She was hustled to the fore at once by apprentice Don Padgett, then went about her business to dispose of Helvetian early and breeze home. Five lengths behind her at the finish was a three-horse picture which saw J. Sulli's Reason second, H. H. Hecht's The Wing third and the weakening Helvetian fourth.

The field was dispatched from the six-furlong chute after only a brief delay and Bungalese demonstrated her superiority all the way. The four-year-old filly, unable to graduate from the maiden ranks last year in five starts despite the fact that she raced on the minor tracks last winter, was scoring for the second time in as many races this year. On each occasion she was ridden by Padgett and won in galloping fashion.

While she has yet to demonstrate her class, Bungalese has turned in two of the

Favorite Flashes Speed Throughout

Tawny Lady Unable to Stay With Brent & Talbot Colt In Stretch at Hawthorne

HAWTHORNE, Cicero, Ill., May 23. — Brent & Talbot's Tiger Rebel kept his undefeated mark this year intact and increased his skein of consecutive victories to five when he merely buck-jumped to soundly trounce his Lake Forest Purse rivals in a sprint which featured the program witnessed by 11,798 turf fans here this afternoon.

The gaudy four-year-old bay colt impressed as being one of the fastest sprinters in this area as he sizzled over the six furlongs in the smart time of 1:11⅕ and at no time of the journey did he appear to be asked for his best speed.

Three and one-half lengths further away was Mrs. A. M. Creech's Tawny Lady, while the Woolford Farm's Legislator defeated Dixiana's Chapel Bells and Jules Fink's K. Dorko, the only other horses in the small field.

Off to a good start, four of the five horses dashed down the backstretch head and head with K. Dorko dropping to the rear immediately and remaining there. As they curved into the bend, Tiger Rebel assumed a short lead and Legislator and Tawny Lady made a futile attempt to go along with him.

Spirited Battle for Place

Nearing the stretch Tiger Rebel opened up without the need of urging and from there on it was a jaunt for the smart runner. Tawny Lady and Legislator put up a whale of a battle for the place until near the end when the latter weakened.

Because of his brilliant record, Tiger Rebel was sent postward at even money.

The Winnetka Purse, fifth offering of the afternoon, was one of the better races on the program, but it was marred badly by a poor start which found Mr. and Mrs. F. M. Harris' Diderod virtually left at the post.

With Diderod eliminated by the mishap, Mrs. Phil Leon's Sand Storm stirred up enough dust to get home a length and a half to the good over Mrs. Emil Denemark's Chesty, while Emery & Karl's Free Speech was along in time to nose out Mrs. Clyde Troutt's Take Wing for the show.

Jack Hodgins, veteran trainer of Dixiana's extensive stable here, sent out a running youngster in the Oh Susanna Purse when Fairy Foot, a daughter of Bimelech—Lady Dean, asserted her superiority over six other two-year-old fillies. The young lassie, who was conspicuous in the field because of her lack of stature, forced the pace most of the way, then took over at the head of the stretch and pulled away. She enjoyed the services of Ex-GI Irving Anderson in the saddle.

CHESTY had speed and drew clear on the stretch turn, but failed to hold the winner, yet held on well. FREE SPEECH went prominently, hung for a brief time after reaching the stretch, but was racing well at the end. TAKE WING, far back to the stretch where he came out, closed boldly. DIDEROD, away poorly, showed a fine effort. PRIVATE JOE dropped out of contention on the stretch turn. CREDENTIALS showed early speed. AGRARIAN SON began in a tangle.

Fairmount to Be in Top Condition for Opening

Entire New Mutuel Department Built; Many Other Changes

FAIRMOUNT PARK, Collinsville, Ill., May 23.—With only two more days remaining before the opening of the 31-day spring meeting at Fairmount Park, D. C. Burnett, general manager of the Fairmount Park Jockey Club, announced today that the plant positively would be ready for the annual session which begins here Saturday.

While more than $100,000 has been spent in renovating the plant, Burnett said it was going to be a "photo-finish," but that the track would be in tip-top shape when the gates are opened Saturday. All of the important improvements have been completed and the only odd-jobs remaining are the laying of bricks on the lawns, a little paint here and there, a little carpenter work and the usual cleaning up of the debris scattered throughout the plant.

Regular Fairmount Park patrons will be astonished at the improvements made since last fall and the plant appears to be a new one, since so many changes have been made during the winter and spring.

Like many other sections where racing is conducted, Burnett believes this is going to be the best meeting held here since Col. Matt Winn and his associates had charge of the place in the late '20's.

Busy Days as First Detroit Card Nears

Officials Are Swamped With License Applications; Lewis Makes Complete Inspection

FAIR GROUNDS, Detroit, Mich., May 23.—With the opening of the spring and summer 49-day racing season only two days away, general manager George W. Lewis of the Detroit Racing Association, made a final inspection of the Woodward Avenue plant today and announced that everything is in readiness for the Saturday inaugural day program. After conferring with general superintendent Carter C. Curtiss and track superintendent J. Oliver Brown, Lewis made a complete physical check of the buildings and then took a turn over the flat and turf tracks.

Lewis then instructed Charles F. Henry, racing secretary and handicapper, to arrange as fine a card as possible for the opening of the local thoroughbred racing season. Henry hopes to fill two handicaps, the $10,000 Boots and Saddle at six furlongs, and the $5,000 Man o' War, which is listed for decision at one mile and one-sixteenth. Both features are to engage three-year-olds and upward and with many horses of handicap and stakes calibre quartered here, Henry should have no difficulty in presenting an outstanding card. Entries for both top events are to close today and weights will be posted tomorrow.

Twilight Programs on Week-Days

With the exceptions of Saturdays and holidays, when post time for the initial event will be 2:15 p.m., twilight racing is to be conducted on all other days. Post time for the later sport will be at 4:30 p.m., which hour seems most suitable to the followers of the sport in this area.

One of the busiest spots at the Fair Grounds today was the office of Michigan's popular racing commissioner, William J. Dowling. Turfmen, owners and trainers, jockeys grooms and others connected with the actual running of the races were applying for and receiving their licenses as rapidly as judge Joseph A. Murphy, Judges Jack S. Young, Charles A. Bray and A. L. Copland could go over the requests. Commissioner Dowling reported a number of license applications for the 1946 Michigan racing season.

In the meantime at the spacious Motor City course, two more large stables checked in from Kentucky. Charles A. Grande brought in 11 members of Mrs. Elizabeth Muckler's Rivermont Ranch, headed by the useful My Reward, Brushwood Boy, and the juveniles, River Scotch and River Pilot. Henry Forrest registered some 20 horses for various owners whose charges are quartered in his public stable. Forrest trains thoroughbreds of all classes and ages and his colors are likely to be very prominent during the coming season, which is expected to get off to a splendid start here Saturday.

Pep Well Seeks Fourth Straight Success in Havre Distance Test

Lovat and Four Others to Dispute Calumet Racer's Bid for Another Victory

HAVRE DE GRACE, Md., May 23.—Six clever three-year-olds, including Calumet Farm's Survivor Stakes winner, Pep Well, will vie for a $4,000 purse in tomorrow's The Finn Purse, seventh and feature event on the local program. The racing surface was in the best condition of the meeting and as a result five of the eight races contained full fields and also-eligible lists.

Named overnight to oppose Warren Wright's Boswell—Some Pep colt are G. A. Lawson's Lovat, Gustave Ring's Ringstown, William McIntosh's G. Girl, Mrs. S. S. Zell's Chanteuse and W. Y. Goldsborough's Marcia P. Pep Well and Lovat, under the allowance conditions of the event, are equal highweights under 121 pounds.

Stable's Surprise Development

Pep Well already has earned the title of the surprise development of the Calumet Farm string. Lightly regarded last season and unable to graduate from the maiden ranks in his only two outings, Pep Well was not nominated for the leading events for horses of his age. However, since reaching Maryland he has improved greatly, and is currently battling for recognition as top three-year-old of the powerful stable. Postward three times during the spring sessions in this state, Pep Well has been returned to the winner's circle on each occasion, climaxing his skein of victories with a galloping score in Pimlico's Survivor. The colt will be ridden by Doug Dodson tomorrow, which will mark the first time the stable's contract rider has been astride him here.

To select a second choice in the race is really no problem, for the manner in which Lovat has been going lately points him out as a stout contender. Purchased by Lawson for a sum reported to be in the neighborhood of $20,000, Lovat has won two races in three essays for his new owner. Both of his victories have been over a distance of ground, with the last one being won by some six lengths. The Johnstown-Coquelicot colt, a half-brother to Walter M. Jeffords' Pavot, has been nominated for all of the important three-year-old races at Delaware Park and New Jersey and will be receiving his most severe test tomorrow.

While the remainder of the field has shown little to suggest they are capable of coping with the top pair, they seem to have enough ability to make for a good race. Ringstown, in his only Maryland outing, turned in a very good race while placing behind Mrs. R. H. Heighe's Proverb. That filly came back to finish several lengths off the victorious Red Shoes in the Pimlico Oaks.

JOHN McSHANE—Brought his four-horse stable to Hawthorne from Churchill Downs.

All Business Will Race in Interest Of Four Former U. S. Army Officers

Thomas H. Stevens Forms Combine to Purchase Filly; Stabled at Lincoln Fields

HAWTHORNE, Cicero, Ill., May 23.—Two years ago, when Herr Hitler and his hordes were running roughshod over opposing armies on the battlefield, a quarter of U. S. Army officers were shut off from the rest of the world by barbed wire at the Stalag Luft III. at Sagan, Germany. While they had little hope at the time of ever returning to America, "they could dream, couldn't they?" Leader of the small group was Lieut. Thomas H. Stevens, a lad from Lexington, Ky., whose father and forefathers raised and raced thoroughbred horses. He talked so much of the horses that the others became interested and it was during one of their endless bull sessions that they agreed to buy a yearling when they were returned here. They would race him (or her) and they even mentioned that they might capture the Kentucky Derby.

Dreams occasionally have a way of coming true, and today the ex-GI's own a horse—all according to the plans made at the concentration camp. In addition to Stevens, the others in this unusual partnership are Ernie Galloway, Sam Levinson and Gus Roessler.

It was last year that they held a reunion and they pooled their money. The Keeneland sales were on, and Stevens became attracted to a yearling filly by Sweeping Light—Lady Jean, and he went up to $1,200 to obtain the miss for the quartet.

Stevens was a former infantry officer. Before he was captured he had roamed all over Africa and engaged in many battles. The sad day occurred during the Tunasia campaign. He was interned for two and one-half of the five years he served in khaki. The others of the party were Air Corps officers and they all were shot down inside enemy territory.

Stevens, who recently arrived at Lincoln Fields from Kentucky, has three horses under his care. They are Siddons, who will race under his own name; Be Like Polly, owned by Miss Billie Rose, of Lexington, Ky., and All Business, the filly owned by the former officers.

Siddons was named after a thoroughbred of the same name, who was a champion four-mile horse before the turn of the century. He raced for Thomas H. Stevens, grandfather of the youngster now training. The Stevens family was very prominent among Kentucky horse people and they furnished the winner and second horse, Florimore and Wary, in the Kentucky Oaks of 1887.

Feature Appears Wide Open Race

June T., Juke Box, Blenette, After Eight, Lexingtonian Entered in Lincoln Sprint

HAWTHORNE, Cicero, Ill., May 23.—While there are few, if any, thoroughbreds on tomorrow's program blessed with characteristics of championship class, racing secretary Larry Bogenschutz has molded together a full quota of eight races that should furnish enough heated action to satisfy turfites who turn out for the 11th day of the current Lincoln Fields 30-day session being conducted here.

The top race on the bill will be the Westwood Purse, to be decided over the six-furlong distance as the sixth race. In this dash 14 four-year-olds and upward have been entered overnight. A quartet of horses who already have graced the winner's circle here are among the most highly regarded sprinters in the race. They are Mrs. G. H. Emick's June T., River Divide Farm's Blenette, Joenace Stable's Juke Box and W. H. Bishop's After Eight. Three of these won their last races here over muddy tracks, and it will be interesting to note how they fare on a cardboard-like strip. June T., a five-year-old daughter of Big Brand—Donna C., came to her own last Saturday, when she finished in a dead-heat for first place with Topic. She will be moving up several notches in class in this race, and must continue to improve, according to the more exacting observers here.

Overcame Interference to Score

Blenette showed a powerful effort to score her victory. Against Victory Blue, Bosage, Three Clovers and others she was forced to overcome serious interference in the stretch to score. As she made a strong bid on the inside rail, the leader, Victory Blue, swerved in and forced her jockey, Art McKlemurry, to take up sharply. So superior was she to her adversaries, however, that Blenette was able to regain stride in a jiffy, and then take to the outside to win going away.

Juke Box enjoyed an easier race than the others in his victory. He stepped along nicely with the early leaders and, when he was called upon at the end of the stretch, he forged to the front and scored convincingly. After Eight earned his smart victory at the expense of Kamp's Reward, Piker's Bid and others on a fast track. He, too, will be moving up into tougher company.

Despite their impressive form at this track, there is a chance that neither June T., After Eight, Juke Box or Blenette will be favored, for, if A. B. Gay's Lexingtonian gets to the post, he will demand his share of support. Scratched from yesterday's program, Lexingtonian has been racing well in Kentucky, where he won once and finished in the money on two other occasions in three starts this year. The gelding is a versatile sort, who has proven himself capable at middle distances as well as sprints. Others in the 14-horse field are Captain Fury, Royal Risk, Hop Picker, Tasajillo, Zacapet, Even Stitch, Fire Works, Valdina Seer and Calm Port.

George Senn Named Placing Judge for Fairmount Meet

FAIRMOUNT PARK, Collinsville, Ill., May 23.—Thomas J. Brown, steward representing the Illinois Racing Board at Fairmount Park, announced today that he received confirmation of the appointment of George Senn, as placing judge to take the place of Al Pendleton who died following the close of the fall meeting here last year.

Senn, who has been ill for many years, was forced to sell his horses because of his health and now that he is on the improve has accepted the position offered him by the Fairmount Park Jockey Club. Up to a dozen years ago Senn owned and trained his own horses and he will be remembered as seldom having a stable of less than 10 runners.

Other officials passed on by the Illinois Racing Board are Frederic Crafton and James P. Gruber who will serve as stewards with Brown; Clifford V. Abbo and Teague Pichon who are the other placing judges with Senn, Ralph Stubbs clerk of the scales and C. H. McMillan, the starter.

The racing secretary will be J. J. Klucina; the patrol judges, Jack Locklear. Art Maher and Ray Douglass. L. O. Delonchaw will again serve as paddock judge, William Michael as veterinarian for the Illinois Racing Board and L. J. Stortz as veterinarian appointed by the Fairmount Park Jockey Club. The mutuel department will be under the direction of Matthew L. Welch.

Happy Issue Mated March 13; May Next Start in Sequoia

HOLLYWOOD PARK, Inglewood, Calif., May 23.—It is not a rarity that mares who have been bred return to the races for a brief time before being retired to give their attention to impending motherhood, but the Happy Stable's Happy Issue may be the only one, or at least one of a very few who, after being mated, returned to competition to win a stake. This daughter of Bow to Me who Tuesday won Hollywood Park's $25,000 Premiere Handicap, was bred on March 13 to Bull Reigh.

Charles Pinon, who trains the mare, was delighted with her performance and said that inasmuch as she came out of that race little the worse for wear, she may be counted a certain starter in the $25,000 Sequoia Handicap here on Saturday.

Pinon also stated that Happy Issue will be made eligible for the $100,000 Hollywood Gold Cup which she won two years ago.

Pep Well in Good Trial

HAVRE DE GRACE, Md., May 23.—Calumet Farm's vastly improved 3-year-old, Pep Well, continues to train in a manner which would indicate he must be reckoned with in the late stakes for horses of his age. The son of Boswell this morning reeled off three-quarters of a mile in 1:14⅗.

Rabbit Ears Back at Farm

FORT WORTH, Tex., May 23.—Watt Reynolds is returning Rabbit Ears from Kentucky, where she was bred to Ocean Wave. The young mare was a winner at Hot Springs.

Twenty-Eight Horses Arrive At Charles Town by Van

CHARLES TOWN, W. Va., May 23.—Shipments totaling 28 horses arrived at Charles Town today by van from Pimlico. Included in the lot were eight for Everitt Brining, six for J. H. Fockler, eight for George Mohr, and six for F. Shenski.

Jockey Webb Snyder arrived to join the jockey colony which now consists of 22 riders already on the grounds awaiting the opening of the meeting on May 29.

Starter Harold Holland is conducting schooling classes daily at the four and one-half furlongs chute at Charles Town. He is assisted by Guy Owens.

Jockey Stanley Austin is busy commuting between Havre De Grace where he is riding and Charles Town where he gallops horses for Everitt Brining and J. K. Fockler.

Massachusetts Board Reverses Decision on Receiving Barns

BOSTON, Mass., May 23.—Suffolk Downs was assured of opening on schedule on Monday when the Massachusetts Racing Commission ruled that the horse race track did not have to build receiving barns to stable its thoroughbreds before each race. The ruling reversed the commission's previous stand that the barns would have to be built to protect the horses from possible stimulation. Horse owners rebelled against this decision and threatened to boycott Suffolk Downs if the barns were constructed.

The commission said that a lack of building materials made the proposed construction impractical at this time.

COLORSET was placed under pressure in the final stages and closed stoutly. PICARDY BELLE, on the outside from the beginning, showed a good effort. AROUND TOWN was well up all the way. RANIES CHOICE showed speed, but was bearing out and carried the others with him. THE BAGEL swerved at the beginning and dropped back.

WENT TO POST—2:01. OFF AT 2:02 EASTERN DAYLIGHT TIME.

Start poor from stall gate. Won driving; second and third the same. DETECTION improved his position steadily, moved up on the outside of the leaders entering the stretch, was bumped by BLUE BADGE and forced out, then finished with good courage. SCHOOL TIE was under pressure in the stretc hand, blocked nearing the final furlong, was steered to the inside for clear racing room. BLUE BADGE was a prominent factor throughout, overcame interference from KILGOBBIN after rounding the stretch turn and tired when swerved. KILGOBBIN had early speed, swerved rounding the stretch turn and faltered. SINGING LIGHT had early speed. DARBY DOODIT was slow to begin. SALERNO was as good as left. BEYOND REACH quit badly. TATERS could not keep up. A claim of foul was lodged against the winner, but was not allowed.

Mush Mush, Coincidence Triumph at Belmont Park

Mist o' Gold Finishes Second to Whitney Filly in Polydor Purse

Continued from Page One

back, while Havahome Stable's Cencerro completed the field.

Coincidence, who was Greentree Stable's third winner of the season, paid $5.20 and ran the distance in the good time of 1:43⅗.

Immediately after the Discount Purse, fans were again reminded that they had just 20 minutes in which to make the last train out of the track. Nearly half of the crowd left before the seventh race, but not all of them found space in the last trains. The others had recourse to buses and cars of friends, many of whom were new-made for the occasion.

Larkmead Andy went to the front at the start of the Polydor, followed by Be Courageous and Mush Mush with Mist o' Gold walking out of the gate and trailing down the far side, with Johnny Adams sitting still. Meanwhile Mush Mush was a close third. Curving into the stretch, Be Courageous began to shorten stride and Mush Mush moved up strongly to take the lead from Larkmead Andy. At the same moment Adams began to move with Mist o' Gold. He finished very fast on the outside but never seriously menaced the winner. The Bragg colt, a candidate for the Belmont, worked out a mile in 1:38⅘ and was eased up a mile and one-eighth in 1:53. The race itself was run in a mediocre 1:25 and Mush Mush, who was ridden by Paul Miller, paid $15.80.

Alexis set the pace in the Discount, followed by Bounding Home, Sicily and Coincidence, who were closely grouped, while Cencerro and Richmond Jac were several lengths back going down the far side.

Alexis continued to lead turning for home, but Bounding Home took a head advantage as they straightened away and Coincidence loomed up on the outside. At the same moment, Sicily began a bid in the middle of the track while Richmond Jac was also closing fast. Passing the eighth pole, Sicily had drawn level with the leaders while Coincidence was bearing in steadily and appeared to force her to move over abruptly, hitting Bounding Home, who was holding on gamely. The Greentree gelding then went on to score in a drive over the fast-finishing westerner, Richmond Jac. Sicily, who was probably best in the race, recovered well to be a close third.

WENT TO POST—5:44. OFF AT 5:45 EASTERN STANDARD TIME.

Start good from stall gate. Won driving; second and third the same. DOLLAR BAY, rated within reach of the leaders until reaching the turn, went around the leaders into closer contention, took command in the stretch and held ON THE LINE safe. The latter was slow to settle into stride, moved up quickly on the turn and finished stoutly. HELLO BILL forced the early pace of CRAZY PEOPLE, moved into a short lead on the turn, then weakened. ANDREW PALMER was unable to engage the leaders. CHALPRE was never a threat. ROUGH AMOS could not keep up.

Double Feature Goes In Randall Headliner

Meets Five Other Sprinters In Six-Furlong Warren Purse

RANDALL PARK, North Randall, Ohio, May 23.—Clear skies for the past two days offers all sorts of possibilities that the track for tomorrow's racing will be fast. At present, the track is still considered "slow" but constant work on it will have it in lightning condition for the attractive eight-race program designed by racing secretary E. A. Hileman.

The feature event on the program, carded as the sixth race, is titled The Warren. It is an allowance event for four-year-olds and upward at six furlongs and carries a $1,200 purse. Although it has drawn but six contestants, the competition promises to be of the best. Mrs. F. Stafford's Double Feature, victorious in the Inaugural Handicap, will be the wagering choice, with Camp's First and Bohemia offering to share the honors. Rounding out this field is V. Twilight, All After and Paula's Star.

A secondary offering on tomorrow's program is the Fenway Hall Purse. An allowance event for three-year-olds, staged at six furlongs, this event has drawn 12 of the better speedsters on the grounds. Shangrila Stable's Fabrin, recently victorious in a similar event, promises to offer keen competition to Tacktist S., Stamp Duty, Heather Girl, Motivate, Equa Krona, Star Bright, Giant Drift, Mr. Gohi, Mr. Elmer, and the two also-eligibles, Concise and Marcelle B., who round out the field.

One distance event has been carded on the program, being the eighth and last event on the afternoon's card.

Ohio Notes

RANDALL PARK, North Randall, O., May 23.

W. F. Fontaine, former jockey, shipped in with three horses from Churchill Downs. He is conditioning them for the Wildwood Stable and they include Gun Flak, Bit-O-Sweet and High Peak, who has already been nominated for Saturday's Tudor Arms Handicap.

C. H. Lamparter, owner and trainer of his own string, arrived from Laurel yesterday. Six that he has on the grounds are Royal Fleet, Darglo, Just Great, Electron, Through Train and Copperette.

Ted Dickerson, who rode here before the war, is presently recuperating at Crile General Hospital from wounds received in action. James McCoy, representative of the Jockey's Guild here, was his visitor yesterday and reports that in no time, Ted will be as good as new.

J. Caldwell, trainer for the Wolverine Stable, has three horses on the grounds ready for campaigning. They are King Victory, Edie Jane and Misty Eye.

Norris Royden, steward here, announced that Mrs. Royden arrived from California last night.

Jockey W. "Peanuts" McCadden, in a spill aboard Betty Bane in yesterday's second race, was sent to the hospital and promptly discharged late yesterday. Early examination showed possible rib injuries, but X-Rays disclosed no inquiries.

Bill Hudson, father of the sensational football and track star Al Hudson, of the University of Miami, reports that Al is to compete in an "89-yard Hudson Special." This dash was filled into the meet to commemorate the sensational 89-yard run of Al's during the final minutes of the Orange Bowl game, which cinched the game for the University of Miami.

Ogham Seems Likely Choice In Narragansett Feature

NARRAGANSETT PARK, Pawtucket, R. I., May 23.—Mike Belasco's Easy Chance and Sam Garfield's Respire are the top-weighted horses in tomorrow's $3,000 Scituate Purse, but Mort Stuart's Ogham looks as the likely choice in the six-furlong sprint for four-year-olds and upward. Easy Chance and Respire will carry 115 pounds each under the conditions of this allowance race, which features the card on the next to the last day of the meeting.

Ogham, who drew the first position will carry 113 pounds and Joe Licausi leading rider of the meeting, is expected to be in the saddle. Also carrying 113 pounds will be Mrs. D. B. Miller's Sky Skipper. The latter is half of an entry, running coupled with S. D. Sidell's St. Jock who will take up 111 pounds. Under the same weight will be J. and A. Beattie's Hidden Ace.

The field also includes Weston Adams' Son Admiral, V. Pryor's Restriction, Arthur J. Gaignard, Jr.'s, Bright Signal, G. S. Jones' Nell A., B. A. Dario's Slender Lady, J. B. Theall's Ravenala, C. A. O'Neil, Jr.'s, Lea Flag, Mrs. C. J. Gamble's Samborombon and the Sibund Stable's Ring Curtain.

Another $3,000 allowance race, the fifth event on the program and six $2,500 purse races complete the card. The fifth is a mile and a sixteenth run for four-year-olds and upward and drew such horses as Plebiscite, Winsome Lad, Scotch Abbot, F. B. Eye, Linwood Jim, Brown Mountain, Misflying, War Delegate, Dansation, Singular and Jenkins.

Charles Browning Tours New Farm of Uncle in Ambulance

ARLINGTON, Tex., May 23.—Charles M. Browning recently enjoyed the thrill of a lifetime, he says. Bedded in his quarters at Top o' the Hill Stock Farm here for the past five months as the result of a motor accident, young Browning has been receiving second hand reports of the progress at Cresson Farm, to which point Fred Browning, his uncle, has moved all the thoroughbreds. Bright and early one day, he was taken on a tour of the new establishment in an ambulance. The party spent several hours at the Cresson point, and the trip proved a rare tonic. The accident had prevented Charles from assuming charge of the new farm.

Start good from stall gate. Won ridden out; second and third driving. PENNY REWARD assumed command at once, set the pace under steady restraint, then held sway under intermittent pressure. BOURBON was always a forward factor and closed willingly under punishment. EL MONO pressed the winner's pace to midstretch and faltered. TRANCE SLEEPER failed to rally. WAR CHAIN weakened. RAMPANO broke in a tangle and was unable to reach contention after being taken to the outside. PLAY NEDDIE threw her rider and ran off a very short distance before the race.

WENT TO POST—2:45. OFF AT 2:47 EASTERN STANDARD TIME.

Start good from stall gate. Won ridden out; second and third driving. The latter improved her position steadily, went to the outside for the drive and finished stoutly. MARJORIE T., in contention from the beginning, held on stubbornly. INTERMISSION was hustled to the front at once, saved ground, but weakened under pressure. DARLING GRACE was rank while being steadied early and finished well when settled in stride. CARMELITA H. raced evenly, but was never dangerous.

WENT TO POST—5:17. OFF AT 5:18 EASTERN STANDARD TIME.

Start good from stall gate. Won driving; second and third the same. MARYKNOLL was sent to the front in the run to the first turn, was rated there throughout, saved ground and just lasted. ALDRIDGE forced the pace of the winner, was placed to stiff punishment in the drive and just failed to get up. REX-AVIS, forwardly placed throughout, held on resolutely. GRAY CALL finished well after lacking speed to match the early pace. CHANCE ACE broke well, but could not keep up. CASH O. BOY, far back early, was in close quarters in the stretch. GENIAL SAM S. was unable to engage the leaders.

Scratched—97899 Winnpearl, 112; 64538 Battle Star, 112.

Genial Sam S. claimed by F. J. Rowe.

Daily Racing Form Speed Ratings

The handicappers and statisticians of DAILY RACING FORM have evolved a Speed Rating system that is far superior to any yet devised. Instead of being based merely on track records, the ratings are based primarily on the constant, or mean, speed of the track, allowances thus being made for variation in footing. By this method, when a horse earns a rating of, say 85, for a six-furlong race at Belmont Park, he earns the same rating by the same effort at any other track. Speed ratings are shown in the past performances after the claiming price or race classification.

'Name' Horses Widely Scattered This Year
Saratoga Will Provide New Brush Course
Preoccupy Another Promising Two-Year-Old
High Class Field Looms in Top Flight

NEW YORK, N. Y., May 23.

Turfiana: A total of 800 horses from 2,000 applicants have Monmouth stalls. . . . Maj. Ednyfed Williams suggests that track fans can help in the drive to feed starving millions abroad by skipping the bread and butter with their snacks. . . . A number of racing men went to Meadow Brook the other evening to see a demonstration of the starting gate for trotters. . . . Herbie Shaw, who is in charge of the top floor of Hialeah's swanky club, will have the admission crew at Monmouth. . . . It seemed a nice gesture when Detroit originated a system of $1 awards for grooms a few years ago. . . . A few New York owners and trainers were disturbed when their charges came away from the saliva box with sore mouths, but it is said only distilled water is used on the swabs. . . . George McNulty, in charge of the New York gate men, formerly was a fingerprint expert in the city's employ. . . . Spring Thaw was supposed to be the "good one" of the Wheatley entry when Keynote won so impressively. She surprised even Ogden Phipps. . . . Frank Stevens says the decrease in business is noticeable at concessions, too. . . . Many horsemen think the abandoned juvenile course made for truer races than the Widener chute, where inside post positions are a handicap.

The "name" horses are pretty well scattered this year. Each area we visit has its favorites. For example, we hear much well-deserved praise for Gallorette here in the East. But at Hollywood Park there is Busher. In the handicap class the East has Stymie, in the Middle West it's Armed, now invading this coast. Among the three-year-olds there is the local development, Assault. His rival, Lord Boswell, ranges from coast to coast. When we began writing of racing about 20 years ago the handicappers were inclined to discount the form of horses that raced outside New York State. And at that time they usually were safe in so doing. But it is now a fallacy to imagine that any circuit has a monopoly on the really good horses. This seems to us a healthful thing for the sport. And there will be more of it when horses "commence flying through the air like lightning bugs," as Bill Corum puts it.

There are more richer races for the 'chasers, timber-toppers and hedge horses this year. Jack Cooper, who writes the conditions for racers through the field here in New York, tells us that: "We went over the Aqueduct program with representatives of the Delaware course, to avoid conflicts in our stakes." The Queens County Club will concentrate on hurdle racing while the Wilmington track is staging its 'chase events toward the close of the meeting. It was originally intended, by the way, that flat racing should be given only negligible importance at Delaware Park and two hedge courses were built. This idea was abandoned, of course, but Delaware still makes quite a fuss over its 'chase races. Saratoga Springs will have a new brush track this summer and the plant's idleness has benefited the steeplechase course. Pine will be used in the hedges. Long Island tracks use cedar. Not that it is likely to matter much to the horses. Cooper notes that Jim Ryan is about the only steeplechase man who imports jumpers nowadays. He brought over a half dozen from Ireland this spring. Ryan says the Irish think nothing at all of asking $40,000 for a "prospect." Under the tax system there, horses can be bought for about 15 cents on the dollar. This naturally does not encourage their importation here.

When Eternal War, who is a nice colt, won the Juvenile there was a tendency to give him the palm as the smartest of the two-year-olds without any further ado. Nothing much was made of the fact that Preoccupy won the Joliet at Lincoln Fields at Hawthorne) the same afternoon. But Preoccupy is nevertheless regarded as a keener prospect than either of his brothers, Occupation and Occupy, were at the same age. Preoccupy beat a shifty sort of colt in Colonel O'F. We are not at all sure, for that matter, that Jet Pilot is not a worthy rival for either of these colts. The two-year-old division is in fact full of contention and more may be developed at Hollywood Park. The notion here is that it will take a pretty good one to eventually head the list. We incline to prefer First Flight of those we have seen thus far. At any rate, it is not guessing to say she has run the fastest.

The Top Flight on next Wednesday at Belmont Park seems to have caught the interest of turf fans to a much greater degree than is usual. Perhaps this is because fillies and mares are playing such a prominent part in racing, and the Top Flight is the first of New York's series of rich stakes for them. Weights for this $20,000 run of a mile and a sixteenth are due, and it goes almost without saying that W. L. Brann's Gallorette will be the topweight. The field will be one of genuine class with Recce, War Date, Athene, Earshot, Darby Dunedin and Sicily among the eligibles. The recent Coaching Club American Oaks did not furnish a candidate as Hypnotic is not nominated. Nor is Beaugay eligible. The Acorn winner, Earshot, is best recommended of the three-year-old possibilities, off recent public form. But Athene is reported to be training well. Hypnotic ran in improved form in the CCA Oaks, as her stablemate, Bonnie Beryl, was generally rated best of the Woodward hopes. Red Shoes was not disgraced. Her Tennessee owner, Howell E. Jackson, is a grandson of the General Jackson who owned Belle Meade.

Neopolitan Captures Great Northern Stakes

YORK, England, May 23 (Reuters)—Miss Priscilla Bullock's Neapolitan, rated a 66 to 1 shot for the Epsom Derby in the latest call-over, surprised this afternoon by capturing the Great Northern Stakes over one and one-half miles. The winner ran a splendid race under the guidance of jockey Harry Wragg and beat White Jacket and Peter Borough, two other Derby candidates, by two lengths and a neck, respectively. Nine started in the race. Neapolitan, by Nearco, won without any undue exertion and his good performance moves him into the Derby picture. Lord Durham's White jacket may not have appreciated the firm going, but otherwise he had no excuse. Peter Borough ran well but could not meet the winner's challenge. Neapolitan started at 9 to 2, while White Jacket was the favorite at 3 to 2.

Petee-Wrack Dies

HAVRE DE GRACE, Md., May 23.—It was revealed here today that John R. Macomber's Petee-Wrack, 23-year-old Maryland stallion, who had been standing at Frank Bonsal's Mantua Farm, had died last night. The popular stallion was a stakes winner during his racing days, amassing earnings of $98,990. The outstanding thoroughbred sired by Petee-Wrack was the good filly, Columbiana, who won the Widener Challenge Cup in 1937. The most recent stakes winner to be sired by Petee-Wrack was Richard A. Johnson's Petee Dee, who won the Maryland Futurity over Gallorette in 1944.

No New Developments In Strike at Belmont

Picketing of Track Continues In Jurisdictional Dispute

BELMONT PARK, Elmont, L. I., N. Y., May 23.—The jurisdictional strike of the teamsters, bartenders, admission ticket sellers and some of the electricians at Belmont Park entered its second day with no new developments, though it was reported that the waiters in the clubhouse were holding an election to determine a bargaining agent. The results of this poll are not expected to be known until tomorrow.

Local 282 of the Teamsters and Chauffeurs Union, A. F. of L., began to picket Belmont early yesterday morning and today were joined by pickets from Local 814 of the same union. The bartenders are not on the picket line and a goodly number of them were observed in the neighborhood of the track today, waiting for the word to go to work. That word was not forthcoming and the bars inside the park remained closed.

Trucks carrying ice and food for the restaurants were stopped at the gates as was the money truck for the mutuel department and cash had to be carried inside the track.

There were comparatively few scratches from today's program, nearly all the entries being stabled at Belmont. One appropriate withdrawal was Arrow Stable's Picket Line. The consensus among horsemen stabled at Aqueduct and Jamaica was that they would make no immediate attempt to move their horses by private van or to walk them over. Some appeared to fear meeting with violence at the track gates if they attempted to bring horses in on foot after unloading from private vans near the track.

Two ambulances were permitted to cross the picket lines but a third was turned back.

Track officials indicated that no attempt would be made to obtain an injunction against the A. F. of L. unions which are endeavoring to obtain control of all track employes through the mutuel clerks, admissions men and Stevens employes, all belonging to independent unions which have been certified by the Labor Relations Board.

The effect of the strike became more noticeable in the closing races, with six horses being scratched from the seventh race, leaving the same number of starters and the same number were withdrawn from the nightcap, leaving eight to go postward. The withdrawals in both cases were horses trained at Aqueduct or Jamaica.

HBPA Meeting Tonight

HAWTHORNE, Cicero, Ill., May 23.—Dan Chappell, prominent seportsman and thoroughbred horse owner who is legal counsel for the Horsemen's Benevolent and Protective Association, will attend the important election meeting of the central division of that organization to be held here in Cicero tomorrow night. All horsemen racing their stables here are urged to be on hand.

Hollywood Park Off to Brilliant Start
New England Sport Moves to Suffolk
Delaware Opens 30-Day Meeting May 29
Aqueduct Offers Attractive Stake List

NEW YORK, N. Y., May 23.

Hollywood Park in California went off to a brilliant start during the week, with over 30,000 fans attending on the opening day. Southern California is today one of the strongholds of fine sport, and long before the long Hollywood meeting comes to a close on August 3 we expect to see some new records created. Up in New England, Naragansett will close its highly successful meeting Saturday and the scene then will shift to Suffolk Downs in Boston, where a meeting will continue until July 6. On Monday Belmont Park will enter its last week with the running of the Top Flight Handicap on May 29, the Suburban Handicap on May 30 and the Belmont Stakes, with the National Stallion Stakes as secondary feature, on Saturday, June 1. We expect that the largest crowd at Belmont will attend on the closing day, although a record throng should turn out to see the Suburban running, which will bring together the best handicap performers in the East. The weights will not be released until five days before the Suburban running, but about everywhere you go you hear speculation as to what John B. Campbell will assign Calumet Farm's Armed, winner of the Widener and the Dixie, the latter being the race in which he gave weight to Stymie and defeated him decisively.

Popular Delaware Park, just outside Wilmington, opens on May 29, and there will be 30 days of racing, through July 4. There will be 13 stake events, including three for steeplechasers. Three of the flat events have purses of $25,000 added. The first of these is the Kent, for three-year-olds, at one mile and a sixteenth. It is to be renewed Saturday, June 8. On the following week-end Delaware Park will stage the Sussex Handicap, which is for three-year-olds and upward, at one mile and a quarter. The third event with this added value is the New Castle Handicap, on June 29. It is for fillies and mares, at one mile and a sixteenth. After the running of the Meadow Brook Steeplechase Handicap at Belmont Park on Tuesday, May 28, many of the 'chasers will move down to Delaware to prepare for such events as the Delaware Spring Maiden Steeplechase, the Georgetown Steeplechase Handicap and the Indian River Steeplechase Handicap. The last-named test, at about two and one-half miles, will be run on July 3.

On June 3, a few days after Delaware Park opens, Aqueduct will inaugurate an 18-day meeting that concludes on June 22. Nine traditional stakes will be renewed. While there will be a great deal of interest in the $50,000 Dwyer for three-year-olds, June 15 and the $50,000 Brooklyn Handicap June 22, there are three races for two-year-olds that may point out the leaders in that division. The first of these is the $10,000 Astoria Stakes for fillies at five and a half furlongs. It is to be run on Saturday, June 8. This race may bring together C. V. Whitney's First Flight, William Helis' Miss Kimo and others who have shown promise. The $10,000 Tremont Stakes for colts and geldings is scheduled for June 12. Among the eligibles are Eternal War, Jet Pilot, Phalanx, Pompeian, Fiddlers Three and others who have gained more than passive recognition so far this season. The third of the juvenile races is the $10,000 Great American which should attract such colts as Eternal War, Jet Pilot, Fiddlers Three to say nothing of the most beautifully-bred colts and fillies who have yet to make their racing debuts.

One week after the Aqueduct session opens, the new Monmouth Park Jockey Club will raise the curtain on its inaugural meeting. In view of the difficulty in obtaining material, the officials of this track have done a remarkable job. While the landscaping and other incidentals may have to await another season, there is hardly a doubt that the track will be in shape when the bugle calls the field to the post for the first race on June 10. Monmouth Park's officials have had so many applications for stalls they are warning owners not to ship to their track unless reservations have been made. The opening stake will be the $10,000 Oceanport Handicap, a race for three-year-olds and upward, at one mile and a sixteenth. Like all other tracks, Monmouth is catering to three-year-olds. On Saturday, July 13, the feature event will be the $25,000 Choice Stakes, for members of that division, at one mile and a quarter. The meeting will come to a close on July 20 with the first running of the $25,000 Monmouth Handicap for three-year-olds and older horses. This event also is at one mile and a quarter.

Out at Chicago, Lincoln Fields is now staging its meeting at Hawthorne. Among the features is the Francis S. Peabody Memorial on May 30, a race which promises to attract Dixiana's Spy Song who ran second to Assault in the Kentucky Derby. The Lincoln Fields meeting ends June 15 and the sport moves to Arlington Park where one of the outstanding sessions of the season will open on June 17 and continue through July 27. Arlington Park's meeting is followed by 31 days of sport at Washington Park. There are appealing events for horses in every division at both tracks, the program including two $60,000 stakes, three at $50,000, one at $40,000, two at $35,000, six at $30,000, fifteen at $25,000 and seven at $20,000. Many of the finest horses in the country will be seen at these Illinois courses. In later columns we will elaborate on all of these sessions but it is obvious that the American turf is due for some brilliant racing in all localities in the next few months.

Accident Compensation Paid in Woolf's Death

LOS ANGELES, Calif., May 23.—Mrs. Genevieve Woolf, widow of jockey Georgie Woolf, today received $6,000 plus $300 burial expenses from the state industrial accident commission to compensate for the riding accident that killed him. Woolf died January 4, several hours after being thrown from his mount in a race at Santa Anita. Mrs. Woolf is operating a restaurant in Arcadia, Calif., which she owned in partnership with her late husband.
